01. FEATURES

All our performance jerseys are made with high quality fabrics to meet your team's level of competition. Customizing your jersey gives you the opportunity to choose from many different fabrics. All yokes are double layered once again with many option of fabrics to choose from. Practice jerseys are given the same attention to detail, made of porthole mesh or tricot mesh to provide extreme breathability and patterned to give the necessary range of motion. Practice jerseys can be made to meet your needs with the many options of fabric combinations. Seams reinforced to offer the maximum durability needed on the field.

All jerseys are built with reliable craftsmanship to perform at the highest level of competition. Construction of jerseys are all sewn with the sport's tactics in mind. Seams are cover stitched for optimum durability and bar-tacks are placed in all stress points to avoid rips.

02. STRENGTH

03. ADULT

Adult jerseys are available in standard and belt length. Option of 4" vents are available in all standard length jerseys as per the customer's request. 6" sleeves are standard on all jerseys with the option of lineman or quarterback sleeves to customize your jerseys to your team's request.

Fans can cheer on and support their teams from the sidelines wearing the same high quality jerseys as the players wear. Customized replica of your team's jersey with the fit of the fan in mind. Custom flag football jerseys tailored to fit and play the game without the pads available in all styles.

04. YOUTH

05. FANWARE & FLAG

Our factory is built to meet your customization need. Your choice of high quality screen printing, sewn down tackle twill, embroidery or patches. Many fonts and colors to choice from. Have your own logo? Not a problem, our art department can recreate your team logo. All jerseys are 100% custom to your team's need.

Youth jersey are built with the same quality fabrics and reinforcements as our adult jersey with the customer's choice of side panels. All length and sleeves options are also available in youth jerseys.

06. CUSTOM DECORATION

07. PANTS

Just like our jerseys our football pants are made with the same detail to quality, strength and performance. Made of high quality mid weight spandex or heavy weight spandex for great fit and comfort. All pants can be customized to match your jerseys with many options like trims, piping and contrasting color panels. Pants come with standard 2 slot waist for belts, built in pockets for thigh and knee pads and an open fly. Other options available, various waist finishes, no fly, and belts. All pant styles are also available with the integrated option: Pads on hips, tailbone, thigh and knees.

01. BUILD

Whether basketball is played on hardwood floors or on street asphalt, the uniform worn to play the game should be built with the agility, comfort and durability needed in mind. That's what we offer with our variety of styles, fabrics and embellishment options. Half a dozen fabrics to choice from; flat, mock or pebble mesh with moisture management property needed to keep the player feeling comfortable. 70 or 100 denier tricot mesh and the classic and durable dazzle fabric. Our basketball uniforms are built to last and make the player look like a pro.

Options are not an issue when it comes to our basketball game jerseys. All styles are available with different options of shoulder width, round neck or v-neck, armhole trims or hemmed finished. Oversized and extended lengths options are also available. Order your jersey individually or as a full uniform. Reversible tops are available in various styles. Reinforced seams with cover stitch for optimum durability and necks are bar-tacked to avoid rips. Don't forget your singlets, shooting shirts or reversible tops.

03. SHORTS

Essential for the game of basketball is the perfect short. Oversized with wide leg opening for the comfort needed to make those jumps. Game shorts have a 2" covered elastic waist with drawstring and optional knit trim waist available to make your shorts unique. Standard inseam of 9" in men, 8" in women and 7" in youth, but, you can order your prefer inseam. Optional key pocket built into the waist. To match our reversible tops are our reversible shorts.

Our factory is built to meet your customization need. Your choice of high quality screen printing, sewn down tackle twill, embroidery or patches.

Many fonts and colors to choice from. Have your own logo? Not a problem, our art department can recreate your team logo. All jerseys and shorts are 100% custom to your team's need.

FIT

Our custom-made soccer jerseys and shorts are designed to meet the player's needs in comfort and durability. It's always been known that in the game of soccer the jersey is everything. You can customize any of our styles to meet your team's design and colors. Our shorts will allow you the freedom of movement needed in the sport.

Customizing your uniform should not just be about colors or style. Fabrics play a big role in truly customizing the uniform your team will feel proud or wearing. We offer several fabrics to choose from that will make your uniform unique. Choose from moisture management fabrics or more traditional fabrics or get creative and combine fabrics. Your team's uniform should be designed by the person who knows what your team needs the most.

That should be you.

CONSTRUCTION

As we grow our soccer uniform line we always take into consideration the functionality the uniform must have to allow the player to perform at their top level. Rest assured our uniforms are constructed to last and hold up to the games demanding wear and tear. All of our uniforms are built with reinforced seams to avoid any unnecessary uniform replacement during a season.

We construct our uniforms to the high standards that are used at the professional level. All our uniforms are made in our factory by craftsmen who are experts in the trade. We seek your complete satisfaction by guaranteeing our custom uniforms against workmanship defects. Customer satisfaction is our top priority.

01.
CONSTRUCTION

In the versatile sport of lacrosse both style and durability are essential. All of our jerseys and shorts are available in Pro Brite tricot mesh as well as nylon dazzle fabrics that will sustain the impacts of the sport. All of our seams are reinforced and cover stitched for additional strength.

Designed to make you look good on and off the field. All Jerseys can be customized with rib knit neck and cuffs. We carry various styles to choose from with contrasting inserts to make your uniform unique. Jerseys and shorts can be purchased separately.

CONSTRUCTION

Hockey is a highly demanding contact sport therefore we build our jerseys with the required strength and durability without losing sight of style. Our jerseys are available in various moisture management materials. All of our seams are reinforced and cover stitched for additional strength.

Designed to make you look good on and off the ice. All Jerseys can be customized with Rib knit neck and cuffs. We carry various styles to choose from with contrasting inserts and unique overlays to give your uniforms a one of a kind look. We offer 2 different necks to choose from.
